2011/12/2

Thank you very much for your inquiry about our products.

JS-Robotics currently does not have a distributor outside Japan, but the Ladybug Robot Ver 1.x can be shipped directly to the England, Germany and United States.

Moreover, please note that the Ladybug Robot Version 1.x cover is made of paper; not the plastic cover displayed during the IFA2011.

Ladybug Robot V1.x photos

This cover parts does not include

This cover parts will be included next Version 2.0 release.
